## 90°Field of View

## Superior Compatibility

**Spectacular Audio Quality** eMeet webcam with microphone for desktop is 4 built-in omnidirectional microphones applying with eMeet Voice IA technology, picking up your voice and filtering out background noise to create an excellent radio effect. eMeet webcam with microphone enables you to enjoy crystal clear voice for hassle-free communication. (When installing the USB webcam, remember to select eMeet C980 HD webcam as the default device for the microphone)

## Microphone Array Technology

## Smart Low-light Correction

**Low Dependence on Light Condition** Automatic low-light correction technology is applied in eMeet HD webcam 1080P so that the PC camera could capture the image in dim light. eMeet C980 computer webcam also has low-light boost, color boost and adjust exposure so you look your

best, even in dim and harsh lighting. Imagine you are working in front of a sunny window. Is it convenient for no need to draw the curtains first when a video call comes in to get a normal exposure picture?

**Crystal Clear Picture & 90 Degrees Wide View** The lens of the C980 HD webcam is composed of 4 layers lenses, made of glass and plastic, ensuring that the picture displayed during the video conference is more realistic. As compared to ordinary lenses, C980 webcam can provide a higher degree of color reproduction. The 90° wide-angle lens can accommodate more participants. In video calls, there is no need to frequently adjust the direction of the webcam to show people in different positions.

**Plug-and-play & High Compatibility** No driver required. eMeet C980 PC webcam can be used without drivers to realize plug and play for saving your trouble. Whether it's a video call with relatives at home or a meeting with colleagues in the office, the webcam for streaming is perfectly suitable for you as a tripod-ready universal clip C980 webcam for desktop has can be clamped on most display equipment like TV, computer and so on. The powerful compatibility of C980 webcam makes your video easier.
